To test **CSV-12's (TM)** potent capability, it can be added to a Petri-dish or test tube, containing the pathogens or bio-warfare agent to be destroyed or neutralised. No bug can become strain resistant or chemical-resistant to this advanced product of exceeding futuristic design.

(TM) complemented technologies, e.g., the **BE4HGMS Therapy Machine**, which is used together with **CSV-12** (and other **LGI Int.** Formulations) to counter genocide plagues and infections, imposed on humans and animals, by **sick psychopaths**, who pose as Allopathic medical or Pharmaceutical experts (including military bio-warfare personnel or

activists; their anti-life terroristic actions and efforts, for population reduction and genocide), but these “agents or experts”, are in reality a part of Satan’s genocide-society of misfits and criminals, as can be seen from hard core facts relative to what they do, have done, and have contributed to, relating to human suffering and disease causation, then disease management by Allopaths, in the satanic “medical-pharmaceutical system”, instead of healing patients with various disease issues. Please be informed that bio-warfare is rampant presently, as I write this information today...

Please research this subject thoroughly and re-educate yourself to **TRUTH** about these important matters.

The original LGI Int. Derived or manufactured product does not contain toxic chemicals or concoctions of satanic cursed origins, unless tampered with after issue, by devious or evil entities.

Please understand and learn that the art of "Pharmacia or Pharmakia is Biblically stated in Greek to be the art of poisoning humans and is related to the art of witchcraft as per Biblical KJV 1611 original authorised definitions and warnings, derived from the GREEK text, and know that millions of people have been maimed, disabled, infected with disease, and murdered by medical Allopathic Pharmaceutical "medicine" prescriptions from medical professional doctors.

IATROGENODIDE DOCUMENT / LECTURE OVERVIEW:-

A historic presentation was given before the American Association of Naturopathic Physicians by [Dr. Horowitz](#), author of more than 15 books, including the national bestseller, **“Emerging Viruses: AIDS & Ebola—Nature, Accident or Intentional?”**

In this riveting presentation, Dr. Leonard Horowitz relays **more than a decade of his research evidencing nefarious tinkering with microbial, plant, animal, and human biology befitting a massive conspiracy to place profits before people and population control (murder), before compassionate medicine.**

Dr. Horowitz presents solid proof that the most powerful industry on earth—the **Petrochemical–Pharmaceutical Cartel**—aided by corruption, greed, and incompetence by **officials in government, scientific organizations, and academic institutions**, has seriously endangered the life and health of myriad forms on this chemically and pharmaceutically beleaguered planet.

As documented in his national bestseller (cited above), and in his scientific text, “**DNA: Pirates of the Sacred Spiral (Tetrahedron; 1-888-508-4787)**”, Dr. Horowitz documents **the man-made sources of the world’s most deadly viruses and catastrophic illnesses**.

He evidences, like no one has ever done, **academic and political malfeasance and fraud in public health and modern medicine** afflicting the world’s populations. In fact, **the massive killing and injuring of people through contaminated vaccines, intoxicated blood-supplies, injurious drugs, poisoned waters, polluted airways, dangerous chemicals, and genetically modified foods** is best defined as **genocide**, as all of this is conducted and rationalized for profit and political expedience.

Examples provided by [Dr. Len. Horowitz](#) in this historic lecture include:

1. The **origin of AIDS** from corporate labs to gay Americans and Black Africans through **experimental hepatitis B vaccines** administered during the early 1970s;
2. Exploding cancer rates that were predicted and expedited due to recklessly irresponsible health officials protecting their jobs and grants;
3. Heart disease scams perpetrated upon the unsuspecting miseducated masses;
4. Unprecedented **New Flu-Like illnesses** involving military laboratories developed for profit and population control;
5. New immune suppressive germs and chemical co-factors developed and released to prompt Gulf War-like illnesses long before the first Iraqi invasion;
6. Diabetic pandemics linked to insulin production by genetically modified yeast spread environmentally and through our current food supplies.

Dr. Horowitz provides these examples and more, as an urgent plea for a return to scientific integrity and human sanity, in this graphic and unparalleled lecture DVD, that is available to interested people and professionals alike.

LGI Int. NOTE ON THE ABOVE ARTICLE:

Do **YOU NOW** start to understand why **CSV12** (and the required, necessary therapy program) was created by me to help the dying people in the world and why the “**LifeSurePlan Project**” was created?

I trust that this document and its referenced materials will start the public mass wakeup call for all ignorant and deceived citizens, to realize that they have been bamboozled by trusted authorities and entities of all kinds, shades, shapes and forms, and so all must come to a realization that Earth and trusted professionals [where the shoe fits], are but workers and instruments of and in Satan’s Kingdom, on planet Earth (and beyond)..., for by their evil works ye will know them...

Come out of her my people, lest her plagues come upon you also!

Kind regards, pierre le grande, C.E.O., [LGI Interstellar](#) (TM) H.Q., R.S.A.
